2024 International Energy Conservation Code [RE Project]

Existing definition in the IECC

APPROVED AGENCY. An established and recognized agency that is regularly engaged in conducting tests furnishing inspection services, or furnishing product certification, where such agency has been approved by the code official.

Add Definition as Follows

Approved Third Party Inspection Agency: A business, organization, or individual that is competent, independent and is used when the building official requires the owner to employ a special inspector to develop compliance documentation, perform compliance testing, inspect during construction specific work as described in this code.

Add definition from IBC

OWNER.

fees for service are derived. The agency shall explicitly understand that they are only to work within the jurisdiction giving approval. If approval is granted, the code official may reestablish approval at their discretion.

R105.4.1.2 Equipment. An approved third-party inspection agency shall have adequate equipment to perform inspections and tests required by the
